Daniel Premack - Executive Producer of Mister Leather Israel (Tel Aviv, Israel)

Daniel Premack has been involved in the leather community for many years.

He grew up in Chicago where he went to his first leather bar called the Gold Coast and knew he had found a home. While in Chicago, Daniel started volunteering for International Mr. Leather in the late 1980's. Ultimately Daniel became a Contestant Host at IML helping contestants through the competition. Daniel became the Den Daddy at many leather events including two years at International Drummer/Drummer boy, three years at International Ms Leather, and once he was recruited last second to help be Den Daddy at International Master/slave.

After moving to Israel Daniel started hosting guerilla leather nights at the bars in Tel Aviv. Ultimately Daniel started the Israel Mr. Leather Contest.

He is thrilled to have been invited to Belgium and hopes everyone is having a blast! And he is very honoured to be asked to be a Judge and wishes all the contestants good luck!
